1. *Unique identification code of the product-type*: **CA-Z/H**
2. *Intended use:* **Torgue controlled expansion wedge anchor CA-H/X are intended to be used for fastening construction structure to concrete**
3. *Name, registered trade name or registered trade mark and contact address of the manufacturer:* **Marcopol Sp. z o.o. Producer of Bolts str. Oliwska 100, 80-209 Chwaszczyno Poland**
4. *System or systems of assessment and verification of constancy of performance of the construction product:* **System "1" of assessment**
5. *European Technical Assessment:* **ETA 19/0284 issued 21.03.2022**

   Technical Assessment Body: **Instituto de Ciencias de la Construccion Eduardo Torroja**
   Notified Body: **Number: 1219 - Instituto de Ciencias de la Construccion Eduardo Torroja**
   Certificate of Constancy of Performance: **1219-CPR-0223**
6. *Declared performance:*

[1] The listed displacements represent mean values
[2] A small displacement may be required in the design in the case of displacements sensitive fastening of "rigid" supports. The characteristics resistance associated with such small displacements may be determined by linear interpolation or proportional reduction.

[1] Respective values for anchors CA-Z/X / CA-H/X, CA-Z/H
[2] As a rule, splitting failure can be neglected since cracked concrete and reinforcement is assumed.
  In absence of other national regulations the partial safety factor for resistance under fire exposure $\gamma_{m,fi}$ = 1,0 is recommended

7. **The performance of the product identified in points 1 and 2 is in conformity with the declared performance in point *6***
This declaration of performance is issued under the sole responsibility of the manufacturer identified in point 3.
